

County?

I never paid by following out the instructions of my title company that the title wasn't clear. I stand ready as soon as it is cleared up, I will settle for it.

As soon as that is cleared up you are ready and able and willing to pay the balance of the money that is due?

I am.

And take title to the property?

Yes sir.

TO THE GENERAL INTERROGATORY.

Answer.

Nothing further.

*Signature of Mr. Meis waived*
